PLANT OBSESSED AND CUSTOMER  
FOCUSED SINCE 1982

PLANT DETAILS

# Alyogyne huegelii – Staked

**BLUE HIBISCUS**

Tough, blue blooming non-hibiscus. These Australian native drought tolerant large shrubs are not related to hibiscus, the flowers happen to look similar. We grow these on stakes to give you a head start on growing them into a beautiful espalier. Morning sun is the best exposure in low deserts.
