# Eremophila glabra ssp. carnososa 'Winter Blaze'

## WINTER BLAZE EMU BUSH

Red to dark, orange-colored flowers on well-behaved shrub. These tough drought tolerant shrubs have dark green lush looking foliage on woody stems for this open medium-sized Emu. Moderate to fast growers, requiring little to no maintenance except for cleaning up after their massive bloom displays from winter to early spring. Plants have the potential to bloom sporadically throughout the year.
